STRONG POINTS			WEAKNESSES
<p>A do it all linebacker. Good measurables and highly productive. Team leader. Effective at filling hole and stacking, yet has enough agility and range to chase plays down. Good blitzer. Hard hitter who plays with a high motor. Plays hurt. Good citizen, active in community service.</p>			<p>Needs to improve shedding, as he has shown. Due to his aggressive style, can be a liability. Played on bad college team; has not played in time games recently.</p>
SUMMARY			
<p>Willis is a fine prospect who combines good size/speed/strength ratios with production, durability, and read/react instincts. Adept at filling the hole and stacking at POA. Has speed and quickness to cover. Can be a good blitzer. Willing to play hurt, witness 2005 when he played through a variety of nagging injuries. Can use improvement at using hands and shedding, but otherwise, the total package.</p>
