- **Footwork:** Great Footwork But Needs To Stay Off His Heels.
- **Hands:** He Is Very Confident With His Hands/Excellent Ball Protection.
- **Diving High:** Excellent
- **Diving Low:** Great/ Needs To Stay Off His Heels When He Dives Low.
- **Distribution:** Great Distribution Makes Great Choices/ Needs To Trust Every Even If The Players Continue To Make Errors.
- **Communication:** Great Communication Is Loud And Clear.
- **Decision Making:** Player Thinks And Acts Quick/Makes Fast And Smart Decisions Making
- **With Ball At Feet Organization:** Strong Leg, Ability To Hit Targets, Willing To Play Out Of Back.
- **Strength:** Nice And Loud. Clear
- **Speed:** Fast/ Very Explosive In Close Calls.

Sergio is a great player great goalie, he is a very hard working player that needs small work to sharpen his skill. Sergio is can be more than ready for a pro team (MLS) with one season of goalie training with a proffesional coach will exceed these expectations. Sergio is a young player with great goalkeeping skill. He is loud and clear when controlling players.

I can see Sergio with the a little tune up a future national player contender.
